Danish Kamal Azmi

M.S Business Analytics @ BU Class of '26 | LUMS'22
United States

Summary

Currently, pursuing a Masters in Business Analytics (MSBA) from Boston University. Over my 3+ years in the workforce, I have garnered expertise in process re-engineering and delivering solutions in the Compliance and Retail verticals of the banking industry.

I am a data-driven problem solver with enterprise thinking, and hold a Bachelors in Political Science (BS) from Lahore University of Management Sciences (LUMS). This wide spectrum of knowledge and skills shapes my world-view, allowing me to have contextual understanding of and approach to the matters of work and life.

Skills and Specialties:

Python, Tableau, Power Bi, SQL, Machine Learning, Automation, Business Analysis, Banking, Analytics, Reasoning Skills, Analytical Skills, Critical Thinking, Communication Skills, Presentatio

I am always up to discuss progressive ideas and would love to connect over LinkedIn or a coffee chat.

Experience

HBL

3 years 6 months

Lead Program and Change Strategy - Retail Banking
